

PARENT AGREEMENT

As part of my children playing in Region 1335, I agree to the following guidelines and policies of the region:

1. I am aware that AYSO Soccer has a "Positive Coaching Philosophy" and that AYSO Soccer is "For the Players".
2. I am also aware that there is an emphasis on Good Sportsmanship, Fair Play, and Player Enjoyment.
3. I will be courteous to all AYSO volunteers, including Referees. Even if I disagree with their decision. This includes youth referees.
4. Each team will follow the "No Slaughter Rule". Meaning that a coach will take action during a game to ensure that there is a maximum of (5) five goal differential at any time during the match.
5. I will applaud all good plays by either team.
6. I will refrain from ridiculing or yelling at any player for any reason.
7. I will bring my child on a consistent basis to practices and games.
8. If I cannot make practice, I will contact the coach prior to practice time.
9. My child will come to all practices / games with shin guards, soccer shoes, a ball, water bottle and a ready to play attitude.
10. I am aware that Smoking, Alcohol, and dogs / animals (even on a leash, lap or cage) are not permitted at any AYSO soccer site during games or practice. Bringing an animal to a game /practice will cause the game or practice to stop until the animal has been removed.
11. If I have a concern about the actions of my child's coach or assistant coach, I will discuss this directly with them at an appropriate time or with the Regional Coach Administrator.
12. I will help in picking up litter after games/practice and will use courteous behavior in the neighborhood and in parking lots.
13. I will advise all guests that I bring to games/practice to follow these rules or they will be asked to leave.
14. I have received a Region 1335 Parent Handbook.

I understand that failure to abide by these guidelines may result in sanctions against spectators, parents and/or players.
